Please refer to Annexure A. A request can also be submitted via the following link: [Data Subject Access Request \(DSAR\) form](#).

7.1.2. A request for access to information which does not comply with the formalities as prescribed by PAIA will be returned to you.

7.1.3. POPIA provides that a data subject may, upon proof of identity, request Media24 to confirm, free of charge, all the information it holds about the data subject and may request access to such information, including information about the identity of third parties who have or have had access to such information.

7.2. POPIA also provides that where the data subject is required to pay a fee for services provided to him/her, Media24 must provide the data subject with a written estimate of the payable amount before providing the service and may require that the data subject pays a deposit for all or part of the fee. Grounds for refusal of the data subject's request are set out in PAIA and are discussed below.

7.2.1. POPIA provides that a data subject may object, at any time, to the processing of personal information by Media24, on reasonable grounds relating to his/her particular situation, unless legislation provides for such processing. The data subject must complete the prescribed form attached hereto as Annexure E and submit it to the Information Officer at the postal or physical address, facsimile number or electronic mail address set out above.

7.2.2. A data subject may also request Media24 to correct or delete personal information about the data subject in its possession or under its control that is inaccurate, irrelevant, excessive, out of date, incomplete, misleading or obtained unlawfully; or destroy or delete a record of personal information about the data subject that Media24 is no longer authorised to retain records in terms of POPIA's retention and restriction of records provisions.

7.2.3. A data subject that wishes to request a correction or deletion of personal information or the destruction or deletion of a record of personal information must submit a request to the Information Officer at the postal or physical address, facsimile number or electronic mail address set out above on the form attached hereto as Annexure F.

7.3. Proof of identity

Proof of identity is required to authenticate your identity and the request. You may, in addition to this prescribed form, be required to submit acceptable proof of identity such as a certified copy of your identity document or other legal forms of identity.

7.4.1. Payment of the prescribed fees.

7.4.2. There are two categories of fees which are payable:

7.4.2.1. The request fee: R140

- 7.4.2.2. The access fee: This is calculated by taking into account reproduction costs, search and preparation costs, as well as postal costs. These fees are set out in Annexure B.
- 7.4.2.3. Section 54 of PAIA entitles Media24 to levy a charge or to request a fee to enable it to recover the cost of processing a request and providing access to records. The fees that may be charged are set out in Annexure B of Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations. Please refer to Annexure D.
- 7.4.2.4. Where a decision to grant a request has been taken, the record will not be disclosed until the necessary fees have been paid in full.

7.5. Timelines for consideration of a request for access

- 7.5.1. Requests will be processed within 30 (thirty) days, unless the request contains considerations that are of such a nature that an extension of the time limit is needed.
- 7.5.2. The Information Officer will inform the requester of the decision, and the fees payable (if applicable) on a form that corresponds substantially with Form 3 of Annexure A to Government Notice No. R.757 dated 27 August 2021 promulgated under the PAIA Regulations.
- 7.5.3. Should an extension be required, you will be notified, together with reasons explaining why the extension is necessary.

7.6. Grounds for refusal of access and protection of information

- 7.6.1.1. There are various grounds upon which a request for access to a record may be refused. These grounds include:
- 7.6.1.2. the protection of personal information of a third person (who is a natural person) from unreasonable disclosure;
- 7.6.1.3. the protection of commercial information of a third party (for example: trade secrets; financial, commercial, scientific or technical information that may harm the commercial or financial interests of a third party);
- 7.6.1.4. if disclosure would result in the breach of a duty of confidence owed to a third party;
- 7.6.1.5. if disclosure would jeopardise the safety of an individual or prejudice or impair certain property rights of a third person;
- 7.6.1.6. if the record was produced during legal proceedings, unless that legal privilege has been waived;
- 7.6.1.7. if the record contains trade secrets, financial or sensitive information or any information that would put Media24 (at a disadvantage in negotiations or prejudice it in commercial competition); and/or
- 7.6.1.8. if the record contains information about research being carried out or about to be carried out on behalf of a third party or by Media24.

- 7.6.2. Section 70 of PAIA contains an overriding provision. Disclosure of a record is compulsory if it would reveal (i) a substantial contravention of, or failure to comply with the law; or (ii) there is an imminent and serious public safety or environmental risk; and (iii) the public interest in the disclosure of the record in question clearly outweighs the harm contemplated by its disclosure.
- 7.6.3. If the request for access to information affects a third party, then such third party must first be informed within 21 (twenty-one) days of receipt of the request. The third party would then have a further 21 (twenty-one) days to make representations and/or submissions regarding the granting of access to the record.
